# ARTIST BIO

Lil Luke is a 9-year-old Christian Hip-Hop artist with a story that inspires far beyond his years. Born with a serious heart condition, doctors weren't sure he would survive — but God had a greater plan. As a miracle baby, Lil Luke carries a unique testimony of purpose, resilience, and hope.

Through music, he uses his story to uplift and inspire others, proving that no matter your age or obstacles, God can use you for His glory. He has already performed at the **Elevation Conference, Flavor Fest**, been featured on **Rapzilla**, and recorded with beats produced by **Derek Minor, OkayWarren, OnBeatMusic**, and more. With a bold, energetic sound rooted in faith, Lil Luke is quickly becoming one of the youngest voices rising in Christian Hip-Hop.
